Pope Lake Hunt Club

Volume 11, Issue 4

Uncertain Times!

As I sit down to write this months news letter. The World around us is changing or has change dramaticly. We can only hope this will all be behine us by next hunting season. With that said we will be canceling all organized activitys at the club until further notice. That includes work partys and trap shoots. That does not mean that if you want to come out as a member and use the club you are more that welcome. All we ask if you do that you clean up after yourself and wipe down any

surface that you come in contact with.

On the brigher side of thinks we are contenuing with the crop planting and preperation for the next season.
