## PHIL SPERR

JUNE 1941 TO MAY 2020

As most of you know our good friend and hunting companion sadly past away on May 17, 2020. We will miss him! I met Phil at one of the Oregon Duck Hunter Christmas Fund Raiser. After talking at the event for some time he decided to come out and look over our operation. He became a shooting member and a short time later became a owner. Phil was always ready to add a helping hand when ever we had a project to do. He had the best trained dogs. He

would always hold his dog and let the younger or less experienced dogs have a chance to retrieve birds. Such a good guy. NO he was not a Corvis 19 casualty. Phil had been diagnose with a brain tumor about 6 months ago. He pass peacefully at home with his sons and dauther. RIP PHIL.

# CALENDAR OF COMING EVENTS

We are not scheduling any **trap shoots** or **work parties**.

## Update:

Because of the Corvis 19, We will be trying something new. I will be coming out in the next couple of weeks with a list of projects we need to complete this summer in making ready for the up coming season. I will include on this list the project and the amount of people it should take to accomplish, but in no case will there be more than two people per project so we can keep our social distancing.

As active members of Pope Lake Hunt Club, you are welcome to use the club if you follow the below guidelines.

- Clean up after yourself.
- Wipe down all counters, and tables. That you use.
- Training your dog. Please keep them out of the newly planted fields.
- Trap shoot using hand thrower only or **Trap House if trained to use it. But always check with club manager.**
- Maintain safe distances from each other.

## SHOOTING MEMBER NEEDED

As you would suspect we have lost a few shooting members because of the times. If you have a friend or some one you would like to recommend as a shooting member please let me know via text or email or phone call.

Thanks

Sauvie Island Chapter.
