Pope Lake Hunt Club

August, 2020  
Volume 11, Issue 8

## What's Happening

Dale and Terry have been working on some small project at the club. They have been experimenting with number of different covering for the flop down fronts for the blinds. For better cover as well as visibility. This is an ongoing project till we get something that really works well.

With social distancing in place and keeping everybody safe we do have a number of small projects that need to be taken care of this summer. These are one or two person jobs. If you

Crops are coming along nicely

are interested and need to or would like to get your work party requirement out of the way. I can assign you to one of them. See the list below. Please call or text to make sure you understand what needs to be done.

Info	4

Corn Crop July 19, 2020

We should have plenty of cover for the back lake blinds and this year.

# CALENDAR OF COMING EVENTS

We are not scheduling any **trap shoots this summer.**

## Update:

Because of the Corvis 19, We will be trying something new. See Summer Projects.

As active members of Pope Lake Hunt Club, you are welcome to use the club if you follow the below guidelines.

- Clean up after yourself.
- Wipe down all counters, and tables. That you use.
- Training your dog. Please keep them out of the newly planted fields.
- Trap shoot using hand thrower only or **Trap House if trained to use it. But always check with club manager.**
- Maintain safe distances from each other.

## SHOOTING MEMBER NEEDED

As you would suspect we have lost a few shooting members because of the times. If you have a friend or some one you would like to recommend as a shooting member please let me know via text or email or phone call.

Thanks
