The Season

The duck season has started out great. This is the best start we have had in the 3 to 4 years with some limits being taken. We can only hope it continues. With most of Canada frozen up hunting should continue to improve. With the 1st Goose season opener we have been taking good number geese as well. With the break in the season Monday November 2 thru the 4 we will be resetting the decoys and adding some new devices that have not been employed before. Bruce

Afternoon Sunset over Pope
