Pope Lake Hunt Club

Oct. 2020
Volume 11, Issue 10

The Season is just Around the Corner

We had everything set for the early goose season. The Alfalfa was cut the day before the opener. The boys put out some decoys. Then the smoke hit. The few geese that we had been seeing just left the area. Early goose season was a bust. Well we will be looking forward to the opening of the duck season on October 17, 2020. With that in mind we are getting ready to have our major work party for the year on October 10 at 8AM. The following is what we hope to get accomplished. We will be

getting the front lake blinds ready by installing the rubber floor mats, putting grass mats on the roof and sides, Cutting corn stalks to install on roofs, and sorting and staging the decoys at the front lake blinds. Setting out the back lake decoys.
