Veteran's Day Pope Lake Hunt Club

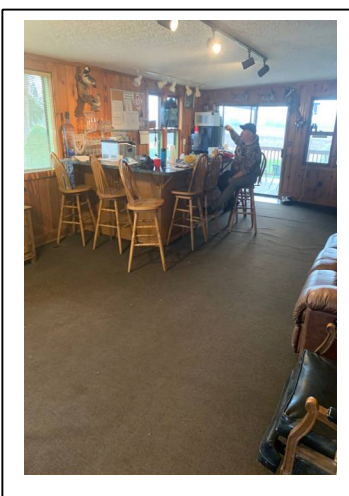

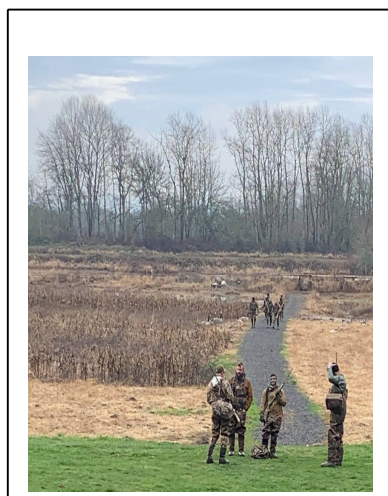

We were very proud to host along with The Lazy A hunt club a one-day Veterans Duck and Goose hunt on February 4, 2023. This one-day duck and goose hunt provided by the Oregon Department of Fish and Wildlife is the opportunity for our Vets to try their hand at duck hunting. Pope Lake provided a nice lunch at the club after the morning hunt. I would like to thank the members of Pope Lake hunt club, Lazy A hunt club as well as the ODFW people that help out with

training and assisting in the field. Terry Martin was the lead organizer for the PLHC crew along with the help of Mark Dias and the people of ODFW. By any indication I think that everybody had a great time hunting and a wonderful lunch. We hope we can make this an annual affair.
