

# October 2023 Newsletter

Pope Lake Hunt Club

Oct. 2023  
Volume 14, Issue 8

## Making Ready for the Season

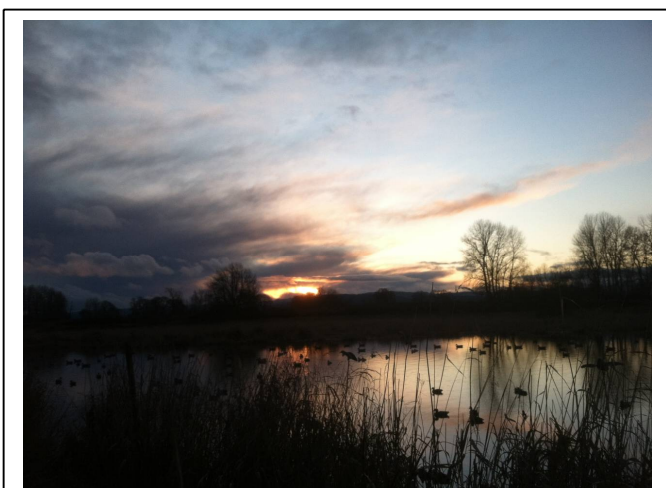

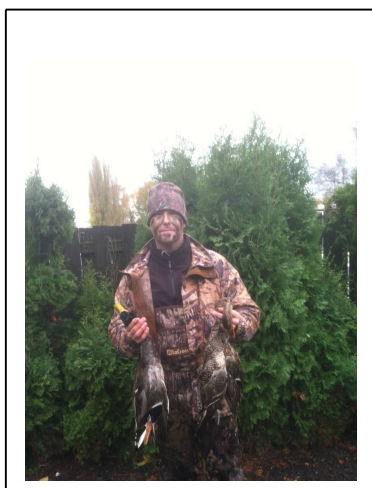

As mentioned in last month's newsletter we will be having a work party on Saturday October 7, I know this is also opening weekend for deer hunting in Oregon so some of you will not be able to make it but if at all possible please be there. Tasks to get done will include brush the blinds, set decoys and install plywood panels in the blinds. Dale, Tim Martin, and I got the plywood inserts ready to install last Saturday. We will need as many as possible to complete cutting corn stalks and installing on the blinds. We

will also be placing some 300 decoys on the front and back lakes. If the water is deep enough, we will also set the underwater fan in place. Along with the decoys we will be setting our front lake decoy spinners and jerk strings. Hope to see everybody on Saturday October 7 at 9AM for the work party.
