Volume 14, Issue 9

Bring on the Ducks.

October 7, work party went well. We had plenty of members come out and lend a hand putting out decoys and brushing blind. Bruce and Sharon were able to come down and join in the fun. Bruce and Terry put out the underwater fans and decoys. Really looks good! Great job. Matt Blue and his team brushed up all the Field blinds to perfection. Blinds just disappeared in the corn field. I had Max fly his drone over the blinds. Check out the picture. We staged bags of decoys at each of the back

field blinds. October 20th the four of us set out the goose decoys in the field and Terry set out the floating goose decoys in the front lake.

The season started a little slow but has been picking up as the Northern birds are starting to show up. I will be sending out texts on Monday to let members know how things are going
