Bring on the Duck's

OK we are ready, well almost. Thanks for all the Hard work being done thru work parties and individual volunteers over the summer months we are ready for the season to begin. The new blind tops have been painted and protective cover has been put on as well as drop downs refurbished. The new outboard motor has been installed on our boat. The crops this year looking very good. Field blinds and front lake blind just need to have corn stocks put on them and

the final step will be in set out the decoys on Saturday October 5. I know some of you will be out deer hunting but everybody that is not we will need you to be at the club and help. The final items is to sign up for our Saturday lunch's. As always this is a voluntary. See below for the calendar and let me know which Saturday you would
