

# June 2025 Newsletter

Pope Lake Hunt Club

June 1, 2025  
Volume 16, Issue 5

## Springtime in the N.W.

Typical spring in the Northwest with days of sunshine and 70-degree temperatures the next minute 50-degree and rain. I have been down here in Arizona playing golf and enjoying a lot more pleasant weather. I will be returning to the Great Northwest on June 1, just in time to do a little cleanup work party at the club on Saturday June 7, before our first trap shoot on Saturday June 14. I scheduled this trap shoot for Father's Day weekend to give everybody a chance to

have some fun trap shooting with your son's daughters. and other family members. As always, we will have burgers, potato salad and chips for lunch. Hope to see all the member and your friends at the club for a great shoot and fun day.
